

# Assembly Tools

## Drill Bits, Power Bits, Power Nut Setters

Drill bits in double-ender, jobber, and masonry models. Power Bits and Power Nut Setters are precision forged for exceptional strength and long-lasting durability. All are made in USA.

### FASTER!

#### Truest Fit

Manufactured to exact dimensional specifications.

### EASIER!

#### Precision Forged

Minimizes cam-outs and maximizes torque.

### SAFER!

#### Highest Quality Materials And Workmanship

Long-lasting strength and durability.

#### Drill Bits

Double-ender, jobber, and masonry models.

#### Power Bits

Exceed aerospace industry specifications.

#### Power Nut Setters

Hex shank drive with magnetic inserts.

## Drill Bits

### DOUBLE ENDERS

**MW-DE18** 1/8" x 2" Double Ender Drill Bit  
**MW-DE30** #30 x 2" Double Ender Drill Bit  
Black oxide coated. Utilize both end.  
118 point starts drilling immediately.

### JOBBERS

**MW-FJ18** 1/8" x 2-3/4" Jobber Drill Bit  
**MW-FJ14** 1/4" x 4" Jobber Drill Bit  
**MW-FJ516** 5/16" x 4-1/2" Jobber Drill Bit  
Black oxide coated. Heavy-duty M1 through-hardened tool steel.

### MASONRY

**MW-FP516** 5/16" x 4" Masonry Drill Bit  
Tungsten carbide tip. Heavy-duty M1 through-hardened tool steel.

## Nut Setters & Power Bits

### MAGNETIC NUT SETTERS – 1/4 INCH HEX DRIVE

**MW-MSH14** 1/4" x 1-3/4" Hex Drive Magnetic Nut Setter  
**MW-MSHL14** 1/4" x 2-9/16" Hex Drive Magnetic Nut Setter  
**MW-MSHML14** 1/4" x 4" Hex Drive Magnetic Nut Setter  
**MW-MSHXL14** 1/4" x 6" Hex Drive Magnetic Nut Setter  
Hex shank drive to female hex with magnetic insert.  
Precision forged for exceptional strength and durability.

### PHILLIPS POWER BITS

**MW-E1103XM** 1/4" x 1-5/16" #3 Phillips Power Bit  
**MW-E1102XM** 1/4" x 2-3/4" #2 Phillips Power Bit  
For hardened sheet metal screws and fasteners.  
Forged for exceptional strength and long-lasting bit life.
