

STAK-N-TOTES®

A convenient way to store your fittings, tools, and small parts!

Klenk Tools

■ **Stackable:**

Stackable totes give you organized, compact storage -- whether using a few or many.

■ **See and Access Everything:**

Thanks to the STAK-N-TOTE's angled sides, you can see all your parts and fittings at a glance without unstacking and gain access quickly.

■ **Dependable:**

Premium-grade galvanized steel is strong, sturdy, and corrosion-resistant -- outlasts plastic trays and takes the hard knocks. 50 lb. load capacity.

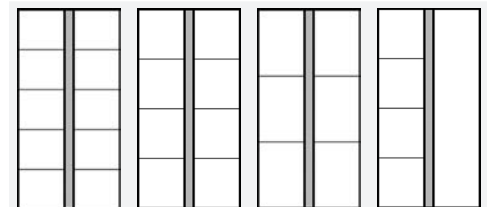

■ **Drain Holes:**

Drain holes in bottom of tote let water and other liquids out, help to keep parts free from accumulated moisture, and promote air circulation.

Klenk's patented, space saving STAK-N-TOTE® is ideal for organizing, storing and transporting small parts, fittings, screws, nuts, bolts, tools, and more while using up less storage space in your warehouse, truck, or shop. Perfect for plumbers -- different compartment layouts handle all size fittings, smaller parts, and tools. STAK-N-TOTE® trays easily stack and remain stable in truck beds.

FOUR DIFFERENT TOTE TRAY LAYOUTS
