

OVERVIEW AND FEE SCHEDULE

ASPHALTIC ROOF SYSTEM WARRANTIES

WARRANTY OVERVIEW

CertainTeed offers standard asphaltic membrane roof system warranty durations up to 25 years. Additionally, Star Contractors can increase warranty durations by 25% by engaging in an Integrity Maintenance Coverage agreement with their client. CertainTeed offers three warranty options: Asphaltic Membrane Limited Warranty on Materials, Integrity Roof System® Limited Warranty and Integrity Roof System® No Dollar Limit (NDL) Limited Warranty.

WARRANTY DURATIONS & SYSTEM SPECIFICATIONS

CertainTeed Integrity Roof System warranty durations are based on a combination of system specification and product selection. For example, CertainTeed Specification APP-C-2-T lists multiple base sheet and cap sheet options. Per the specification, all base sheets are fully adhered, either in hot asphalt, torch-welded or self-adhered. Per the APP Warranty Duration Matrix, a pairing of All Weather/Empire Base Sheet with Flintlastic GTA carries a 12-year warranty duration. However, a pairing of Black Diamond Base Sheet with Flintlastic GTA carries a 15-year warranty duration. Both of these configurations are options within APP-C-2-T. Further, the addition of two layers of FlintBoard roof insulation or CertainTeed approved cover board (second layer adhered) to a Black Diamond Base Sheet – Flintlastic GTA roof system increases the warranty duration to 20 years and would now be CertainTeed Specification APP-I-2-T. It's important to understand that each CertainTeed Specification allows for various base, ply and cap sheet configurations and, as such, warranty durations associated with an individual specification will vary.

Asphaltic Membrane Product and System Warranties

	Asphaltic Membrane Limited Warranty on Materials	Integrity Roof System Limited Warranty	Integrity Roof System NDL Limited Warranty
Contractor Requirements	--		Silver (maximum 20 year warranty duration) or Gold Star (maximum 25 year warranty duration) Credential
